**Birmingham Midland Eye Centre (BMEC) - Ophthalmology
THE DOCTORS MESS**

The funding of activities for the Doctors Mess depends on deduction of fees from doctors salaries. The Mess will be able to provide members with tea, coffee, snacks and a place to relax and socialise. The facilities on site include SKY TV and will include a dining area, newspapers and locker storage facilities. Social and educational functions will be arranged using this funding.

If doctors do not wish to contribute than please be aware it will be difficult to organise any such facilities as stated above.

If you would like to start contributing please return the form below to the box in the BMEC Management Office Corridor (Near Pigeon Holes or place in my pigeon hole). I will forward all forms to Payroll to start deductions from your monthly wage.

ALL Ophthalmology trainees are welcome to join, as we do use the Mess room on Wednesdays before teaching and there will be meetings held in the mess. For doctors outside of BMEC, I can forward our account details for standing order payments if you wish.

The current membership is (Please Circle the relevant amount):

£6 monthly – BMEC DOCTORS

£3 monthly- NON BMEC posts

TO: PAY ROLL MANAGER, Payroll Department, Brookefield house, City Hospital, Birmingham.
